**MOTION FOR FINAL DECREE**

NOW COMES David Kortan (the "Debtor"), Debtor and Debtor in Possession, by and through his attorneys, Forrest L. Ingram and Peter L. Berk, and moves this Honorable Court for a Final Decree, pursuant to Bankruptcy Rule 3022 and Local Rule 3022-1. In support of this Motion, the Debtor states as follows:

1. On October 9, 2007, the Debtor filed a voluntary case under Chapter 11 of Title 11 of the United States Code ("Bankruptcy Code").
2. On July 16, 2008, the Debtor's Second Amended Chapter 11 Plan was confirmed.
3. The Confirmed Plan divides creditors' claims into four (4) separate classes, but the Debtor is only required to make payments to the members of Classes II-IV.
4. The Debtor has commenced distribution and has made all payments required to date by the Confirmed Plan. Class II creditors hold the mortgages on the Debtor's principal residence, and are unimpaired by the Plan. The Debtor is current with respect to his payments to Class II creditors. Furthermore, the Debtor is current with regard to his payments to Class III general unsecured creditors. To date, he has made pro rata payments totaling \$2,900.00, with the next pro rata distribution scheduled to be made in August, 2010. The Debtors' automobile lessors, who are unimpaired Class IV creditors, have also been paid up to date.
5. No adversary proceedings have been filed in this case.

6. To the best of his knowledge, the Debtor is current in the payment of all fees to the United States Trustee.

7. Therefore, the Confirmed Plan has been substantially consummated pursuant to 11 U.S.C. § 1101(2).

8. According to 11 U.S.C. § 1141(d)(5)(A), the Debtor is not entitled to a discharge until all Plan payments are completed. However, there is no reason for this case to remain open pending completion of the Plan payments. Closure will serve the interest of judicial economy, and will enable the Debtor to stop paying fees to the United States Trustee during a period in which no action is needed in the case.

9. The Debtor requests that he be granted leave to reopen the case upon completion of Plan payments to unsecured creditors, without payment of a reopening fee, in order to obtain his discharge.

WHEREFORE, the Debtor respectfully requests that the Court enter a final decree and direct the Clerk of Court to close the case, with leave to reopen the case without payment of a reopening fee for the purpose of requesting a discharge after payments to unsecured creditors under the Confirmed Plan are complete, and asks for such other and further relief as is just and necessary.

Respectfully submitted,

**DAVID KORTAN**
